

Career path screener

Choose 3 career paths with one of them being PhD and list down 3 skills needed for each career path and whether a PhD is needed for getting your dream job. Compare the 3 trajectories. If you choose PhD as your next step, complete the final checklist and get set go on your PhD journey :)

| | Career path/job position | Primary skills | Need PhD? |
|---|--------------------------|--|---|
|  | |  |   |
|  | |  |   |
|  | |  |   |

Final checklist for PhD

- Willingness to get research experience
- 3-5 years of commitment
- Flexibility with workload pacing
- Financially ready
- Open to adapting to new techniques and environment
- Possibility of travel to conferences

Good luck!
